TOWN HALL THEATRE PATRON DONATION AWARDS

Town Hall Theatre recently introduced a Patron Donation option to our online booking system.

All income from these donations will be awarded, via an open call, in April each year followed by bursary awards in July. To create development for Galway artists, companies and producers at Town Hall Theatre and to assist with creation of work by Galway artists in theatre, music and dance.

Applications will be open to artists, companies or producers based in or from Galway City or County. Full details will be published on www.tht.ie in April.

The purpose of the Awards is to support applicants to research, develop and complete projects which are original and ambitious and which, at the same time, demonstrate relevance to Town Hall Theatre’s audiences and venue capacities. We anticipate one award in 2020, two in 2021 and three annually thereafter. In 2020, Town Hall Theatre will match the donations received.

We thank everyone who has donated over the past few months and we look forward to your continued support for the development and creation of exciting work by artists in Galway in the future.

CONVERSATIONS ON A HOMECOMING

By TOM MURPHY

Mon 15 - Sat 20 June 8pm
Tickets €20*/€18*

Fresh from an apparently successful acting career abroad, Michael has returned to his old home town, back to the youth club-turned-pub where he and his friends once hashed out their plans for the future. That pub, The White House, stood as a place where free thought was possible for the young people of the town, away from the church and from the school. Now, though, the reunited friends are tied down to the realities of their lives after youth has given way to slow but steady decay, and as the evening wanes to night, their true lack of direction becomes clear through muddled conversations as pints are poured and drunk.

Standing over all of this are the absent bar owner JJ and his beloved portrait of the late JFK, both fallen heroes from an idealistic and idealised time now long gone.

“You’re come home to stay, die, whatever - and you’re welcome - but save us the bullshit”

“Paul, darlin’, this isn’t a democracy. It’s a residents association.”

On a quiet street in leafy, suburban Dublin, local residents meet about a piece of graffiti. Who did it? What does it mean? And what’s to be done about it? They have wine and a quorum. Nothing can go wrong.

This Beautiful Village is a razor-sharp new play that exposes every side of what it means to co-exist in Ireland today. Set over one night, six people will confront their pride, prejudice and privilege. It won’t be pretty. But it could be beautiful.
